But the American scholars research to date has not yet reached a consensus. this may also be a difference in the Sino-US academia. American scholars on a topic of controversy a few years or even ten years. Our studies tend to find a standard answer. The University of California and Harvard University Adjunct Professor Luo Paqi papers may let you down. because there is no standard answer. but his research may be closest to the truth. Mandatory approval of a reorganization plan. which is strong cut. may be a more compelling topic of Chinas corporate restructuring. what is the logic of the strong sanctions. strong CD really is the secret weapon of the restructuring ...
