

Barne Short Stories (Norwegian Edition)

Det er mange moralske leksjoner for alle barn av klasser på barnetrinnet . Noen ganger denne prosessen med undervisning og trening er enkelt, men noen ganger blir det vanskelig i visse situasjoner. Den beste måten å trene og lære disse barna er å engasjere dem i å lese noveller. Barn liker å lese historier og på denne måten de lærer mye av moralske leksjoner uten selv bevisst å vite at de blir trent. Denne boken har blitt spesielt designet for grunnskoleelever og det lærer dem ultimate sannhet, som i konflikten om godt og ondt, gode alltid vinner i kampen og sannferdighet , ærlighet og rettskaffenhet er de virkelige verdier av menneskeheten . Disse historiene er skrevet på en måte som de fortsetter å interessere barna. Selv eldste vil finne disse historiene veldig interessant å lese.
