

Finally Home (Hope Springs)

Wild horses
Wild hearts
And a diapered lamb under the Christmas tree. . .
Could life get any more hectic at the Lazy Windmill? With the holidays reminding Casie of every mistake shes ever made, and her assistant Emily struggling to be a single mom, its anyones guess what the New Year will bring. Then bad boy Colt Dickenson shows up with a ring. No one has ever gotten under her skin like he has, but Casie cant believe a rough stock cowboy will stick around for the long haul. But the heart wants what it wants; love is as stubborn as family, foals, and farm equipment. And sometimes you have to face your fears to find the happiness only coming home can bring.
