

## Grace Grows

Like many young women, Grace Barnums life is a precarious mix of sensible choices and uncomfortable compromise. She dutifully edits childrens textbooks that she fears may be more harmful than helpful. She is engaged to a patent attorney with whom she has a reliable relationship. Shes wary of her fascinating father, a renowned New York painter, and she prefers her mother slightly drunk. Always organised, always a planner, Grace carries her life around in a handbag that is, until the responsibility-challenged Tyler Wilkie shows up, with his warm eyes and a smile that makes Grace drop things. Worst of all, he writes tender, loving, devastating songs about her. Tyler reaches something in Grace, something she needs, but cant admit to. Something she wants, but wont succumb to. Falling in love with him would ruin everything. And yet...
