

On Christmas Eve, a family has gathered around the table for the obligatory dinner. The father, once an imposing figure who terrorized his children, has suddenly fallen prey to Parkinson's. Yesterday's tyrant is now trapped inside a disintegrating body. Andre, the eldest child, is nearing 60. He has never loved the father who lied too much, abused too much, manipulated too much. But still, this holiday week, Andre cannot help but be moved. How should he behave toward a parent to whom all pleasures are forbidden? Should he struggle to prolong the old man's life, or help him end it? Around the dinner table, opinions are divided. At once intimate and universal, *A Good Death* is a deeply moving voyage into the essence of humanity. In it, Gil Courtemanche once again asks readers to confront the question that lay at the heart of his first novel: Why live? Why die?

Valley of Guns (Gunsmoke Western), Sipotul Fantanilor - File de poveste (German Edition), Red Badge of Courage (Teacher Guide), The Sewanee Review, Volume 14 - Primary Source Edition, The Discovery of the Source of the Nile, Annotated Leading Cases of International Criminal Tribunals - Volume 42: The International Criminal Tribunal for Rwanda 2010,
